COMERCIAL DRIVERS LICENSE CERTIFICATION OF COMPLIANCE

The Compliance Regulations below *apply to every person who operates a motor vehicle (CMV) in interstate commerce, to all employers of such persons, and to all States "as set forth in Part 392 of the Federal Motor Carrier Safety Regulations" In compliance with the Federal Motor Carrier Safety Regulations, Part 383, 392 and 383, it is required that all drivers abide by the requirements of Licensing as described below:

1. Possession of single license:

A driver of Commercial Motor Vehicle may not possess more than one operator's license. If a driver possesses more than one license than he/she must keep the license issued from their state of residence and return the additional license to the issuing state,

NOTE: All additional licenses must be returned or if lost, the issuing state must be notified.

Destroying a license does not end or invalidate one's status as a driver in a given time.

2. Notification of Cancellation, Revocation, or Suspension of License:

In compliance with the Federal Motor Carrier Safety Regulations Part 392 and 383, a driver is required to notify his/her employer of any suspension or revocation of their operator's license. Part 383 further requires that the driver must report any violations of a State or local traffic law in writing to:

A: The driver's employer or contracted company and

B: The State that issued the driver's operator's license (except when the violation occurred in the issuing state), within thirty days of the violation.

DRIVER SAFETY TRAINING

This is to affirm that the driver _____ has received, and has had training in the areas of company and DOT rules and regulations as required by our company and DOT regulations. I agree to read and familiarize myself with the following handbooks which are required to be in each vehicle and are available through to company .

Handbooks

- ☐ FMCR Handbook
- ☐ North American Response Book
- ☐ Company Rules and Regulations

Training was in areas of

- 1 Vehicle inspections
- 2 Driver Guide to the Daily Logs
- 3 Safety Techniques
- 4 Emergency maneuvers
- 5 Speed and Space management
- 6 Air Brake Training
- 7 Accident and Breakdown

Following this training was a question-and-answer period which eluded additional company illustrations, photos, forms , further explanations and oral tests on those and other topics. I understand that if I have any questions or wish to have any areas of the training clarified. I may come to the company and get further explanation of information.

On this day, _____, 20____, I have completed training of log preparation and other public safety issues. I am now versed in proper DOT regulations (395.8). I understand that by not following DOT regulations I will be subject to company disciplinary actions. I am also aware and have been informed of all company fines which will be enforced following failure to comply with company rules which are explained in the company handbook
